Remarks: We have finished screening the Consolidated Charities cards. As you can see from the attached tabulation, after taking out contributions already undesignated or designated to Red Cross or Community Chest, our biggest potential of designations which might be released is in the \$10-\$24 contribution group which is comprised of 1,101 individuals. The \$10 and over group, 1,248 people, represents an amount of \$19,823.89 which might be released from initial designations.
